

Billing & Payments Guide

Berkley Asset Protection offers a variety of billing and payment options for your convenience. You can always choose how to pay your insurance bills.

Direct Bill or Agency Bill

We offer Direct Bill or Agency Bill for all customers at the time your policy is issued. Billing statements are mailed on an annual basis or as installments, such as monthly or quarterly.

- If Direct Bill is chosen, your bill can be mailed directly to your home or business. Direct Bill also offers the ability to pay electronically on a one-time or recurring basis.
- If you prefer your insurance agent or broker to handle the billing for you, we are happy to send the bill directly to them so they may provide payment services on your behalf.
